

REVL launches new products in Aftermarket

REVL launched new products for the After market (Piston assembly for 2W & 3W, Valve stem seals and valve seat inserts) on 3rd March 2014. Mr.N.S.Mani, VP, TVS OESL received the first supply invoice copy from Mr.S.Mohan, President, REVL in a soft launch function held at REVL's Alandur Plant.

This is the first phase of the launch, done only in TN State, for a select range of vehicle models. The subsequent phases will gradually cover the entire country, over the next 6 months.
