

Rane Polytechnic Technical Campus (RPTC) embarks upon new avenues for pursuing its agenda of skill building

RPTC has been approved as one of the polytechnic colleges for the implementation of Canada India Institutional Cooperation Project (CIICP) by the State Project Coordination Unit (SPCU) established under Directorate of Technical Education (DOTE).

In the recently concluded **RPTC CIICP Strategic Plan Document launch** function on 14th March 2013 at Trichy, Mr. L Lakshman, Managing Trustee, Rane Foundation and Executive Chairman, Rane Holdings Ltd apprised the gathering on the philosophy behind establishing RPTC at Trichy delineating the need for high skilled workforce that will make India a nation of manufacturing excellence. Adding on he said “Under the CIICP umbrella, RPTC aims at offering a wide range of formal and non-formal programs that meet the specific skill needs of the industry and community. RPTC will focus on designing programs that will help people gain knowledge, skills and improve attitude.” Emphasizing that skill development is going to be the defining element in India’s growth story, he urged the community to capitalize on this platform and take full advantage of it.

Appreciating the hard and soft infrastructure of RPTC, Chief guest Dr. K Visalakshi, State Coordinator, SPCU, DOTE, Tamil Nadu, shared the evolution of CIICP and its objectives. “The fundamental philosophy behind establishing CIICP is to create industry-ready human resource that will also elevate the earning capacity of the underprivileged in the country”, says Dr. K Visalakshi.

Chief guest Dr. K Visalakshi, launched the Strategic Plan Document and the first copy was handed over to Mr. L Lakshman.

The function drew to a close, with Mr. Saravanan, Continuing Education Manager and HOD Mechanical, RPTC proposing the vote of thanks.
