Caution regarding forward-looking statements

In this annual report, we have disclosed some forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expect', 'project', 'intend', 'plan', 'believe' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Dream. Design. Deliver.

As the world becomes One, it is in midst of paradigm shifts. Change and disruptions are becoming norms than exceptions. Financial gyrations in one country can have serious consequences in another. An economic slowdown sneeze in two-three countries can give major economies a serious cold. Technology innovations can change the course of the same or another industry. The era of isolation is long over.

No other industry is witnessing these rapid changes as the Auto industry. Electric cars, self-driving cars, new ownership models, the blurring lines between technology and auto companies... these are few of the disruptions causing upheavals in the auto and auto ancillary industries. But for the brave hearts and the prepared, these disruptions are also serious opportunities not to be missed.

We believe in the untapped rewards the disruption will bring to the industry. We think that the only way to surf the waves of the oncoming chaos is to map the future and start exploring ways to chart it. As a first step, we have created a blueprint - Vision 2020, for the company to find new profitable spaces and consolidate existing market leadership. The essence of the new vision rests on **3D – Dream, Design and Deliver.**

Dream...
a world-class enterprise

Design...
transport solutions for
tomorrow

Deliver...

Overseas acquisition and investments

In a significant move towards pursuing opportunities overseas for inorganic business growth aligned with the strategic goals, the Company acquired Precision Die Casting Inc. (PDC) in USA, engaged in the business of manufacturing high pressure aluminium die casting for automotive applications like steering and compressor related die casting components. The entire shareholding in PDC, having an enterprise value of USD 8.9 million, was acquired from its existing owners at a cost of USD 1. This investment is held by Rane (Madras) International Holdings, B.V, The Netherlands, a Wholly Owned Subsidiary of the Company ('RMIH' / 'WOS'), incorporated during the year to hold strategic overseas investments of the Company. The WOS has invested USD 2 million into the equity capital of PDC. The name of PDC was changed to Rane Precision Die Casting Inc., ('RPDC') with effect from March 24, 2016.

The Company has infused USD 2.02 million into the WOS through a combination of equity and loan. The Company has also issued a limited guarantee to the tune of USD 2 million, by way of a Standby Letter of Credit (SBLC), for the term loan facilities availed by RPDC from its existing bankers.

1.2 Appropriation

During the year 2015-16, the Board of Directors declared an interim dividend of 45% (i.e., ₹ 4.50 per share) on the equity shares vide resolution passed on March 10, 2016. The interim dividend was paid on March 23, 2016 to all the eligible shareholders whose name appeared in the register of members of the Company as on March 18, 2016 (being the Record Date) fixed for this purpose. In view of the interim dividend, the Board did not recommend any final dividend for the year ended March 31, 2016.

Out of the profit available for appropriation of ₹ 20.46 Crores, the Directors have declared a dividend on the Cumulative Preference Shares at the rate of 6.74% per annum for the year 2015-16. After transfer of ₹ 7.72 Crores to the general reserve, ₹ 6.37 Crores has been retained as surplus in the Profit and Loss Account.

1.3 Management Discussion & Analysis

Your Company is engaged in the manufacturing and marketing of auto components for transportation industry viz., steering and suspension systems, linkage products, steering gear products and aluminium alloy based high pressure die-casting products. A detailed analysis on the performance of the industry, the Company, internal control systems, risk management are discussed in the Management Discussion and Analysis report forming part of this report and annexed as 'Annexure A'.

1.4 Consolidated Financial Statements

The consolidated Financial Statements of the Company are prepared based on the Financial Statements of the subsidiary companies viz., Rane (Madras) International Holdings B.V, The Netherlands, Wholly Owned Subsidiary ('RMIH' / 'WOS') and Rane Precision Die Casting Inc., USA (RPDC).

In terms of Section 136 of the Companies Act, 2013 the Company has not attached the Financial Statements of the subsidiary companies. However, the salient features of financial statement of the subsidiary companies are disclosed in this annual report. The Company undertakes to make available a soft or hard copy of the financial statement of the subsidiary companies to investors, as may be required by them, seeking such information at any point of time on demand. The annual Financial Statements of the subsidiary companies have been posted in the website of the Company viz. <http://rane.co.in> and also kept open for inspection by any investor at the registered office of the Company.

The consolidated financial statement presented by the Company, which form part of this annual report, include financial results of the subsidiary companies.

2. Board of Directors

2.1 Composition

The composition of the Board of Directors of the Company is furnished in the Corporate Governance Report annexed to this report.

The terms and conditions of appointment of Independent Directors have been disclosed on the website of the Company and available at <http://rane.co.in/pdf/investors/rml/rmltermsid.pdf>

All Directors have affirmed compliance with the Code of Conduct of the Company. The Independent Directors have affirmed that they satisfy the criteria laid down under section 149(6) of the Companies Act 2013 (Act) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR).

2.2 Retirement by rotation

At the ensuing Annual General Meeting (AGM), Mr. L Lakshman, Director (DIN 00012554), retires by rotation and being eligible, offers himself for re-appointment. The notice convening the AGM includes the proposal for his re-appointment as director.

2.3 Board Meetings

A calendar of meetings is prepared and circulated in advance to the Directors. During the year, Six (6) Board Meetings were convened and held, the details of which are given in the Corporate Governance Report. The intervening period between two consecutive meetings was less than 120 days.

2.4 Meeting of Independent Directors

During the year, two separate meetings of Independent Directors were held. In the said meetings, the Independent Directors assessed the quality, quantity and timeliness of flow of information between the management and the Board at the meeting and expressed that the current flow of information and contents were adequate for the Board to effectively perform its duties. Also in the meeting of Independent Directors, the performance of the Non-Independent Directors and the Board as a whole was reviewed and the performance of the chairperson of the Company was reviewed taking into account the views of other Non-Executive Directors.

3. Board and Management

3.1 Board evaluation

During the year, a formal process for annual evaluation of performance of Board, its committees and Directors individually was carried out as per the criteria laid down by the Nomination and Remuneration Committee, pursuant to the provisions of the Companies Act, 2013 (CA 2013) and clause 49 of the listing agreement as applicable at that time.

The criteria for evaluation of Board and its committees were founded on the structure, composition, Board-management relationship, effectiveness in terms of roles and responsibilities and processes encompassing the information flow and functioning. The guiding standards for the assessment of performance of Directors (including the Independent Directors) are their attendance and participation at Board meetings, sharing of their relevant domain expertise, networking in other forums, their strategic inputs and demonstration towards governance compliances.

For evaluation of performance of the Chairman additional aspects like institutional image building, providing guidance on strategy and performance, maintaining an effective and healthy relationship between the Board and the management were taken into consideration.

The evaluation was carried out through a structured methodology approved by the Nomination and Remuneration Committee after ensuring that the aspects under each of the laid down criteria are comprehensive and commensurate with the size of the Board and the Company.

3.2 Familiarisation program for Independent Directors

The familiarisation program for Independent Directors and details of familiarisation programmes to Independent Directors are available at <http://rane.co.in/ranemadras/rmlinvestors.html>

Management Discussion and Analysis

Overview

The Company manufactures steering & suspension linkage products, steering gear products and high precision aluminium die casting products. The Company is a significant supplier to major manufacturers of Passenger Cars, Utility Vehicles and Farm Tractors across the globe. The Company operates predominantly in a single reportable segment viz., components for transportation industry.

Industry structure, developments and performance

The Domestic auto industry experienced a mixed growth. The year was a strong one for the medium and heavy commercial vehicles (M/HCVs) segment, as volumes increased 27% due to reversal of mining bans, resumption of some stalled infrastructure projects, improvement in freight rates etc.

While the volumes of passenger cars and utility vehicles (UVs) grew by 4% and 14% each respectively on a year on year basis, the volumes of LCVs grew by 10% and small commercial vehicles declined.

An erratic monsoon and droughts continued to hamper the sentiments of the Agriculture and Farming sector and this was reflected in the Farm Tractor business from the 3rd quarter of 2015-16 onwards.

Industry Growth

During the year under review, the volume growth in automotive industry is as given below:-

Industry Segment (Production figures)	Growth in % (YoY change)	
	2015-16	2014-15
Vehicles		
Passenger Cars (PC)	4%	4%
Utility Vehicles (MUV)	14%	10%
Vans (MPV)	6%	-12%
Small Commercial Vehicles (SCV)	-10%	-20%
Light Commercial Vehicles (LCV)	10%	-4%
Medium & Heavy Commercial Vehicles (M&HCV)	27%	21%
Farm Tractors (FT)	-7%	-13%

Domestic Market

The Steering and Linkages business registered a good growth in the PC segment. The Company continues to win new businesses for future growth. The Company also continued to win new programs in other segments as well and sustained its overall market share.

The Die cast business won orders for supply of engine components for the Passenger Car segment through Tier1 customers.

The Company had a challenging time in the After Market segment, but with the introduction of several new products, managed a healthy growth.

The break-up of the domestic sales by products is given below:

Products	2015-16	2014-15	(₹ in Crores)
			Growth in %
Steering Gear Products	296.16	261.56	13

Exports

The Steering gear and linkage business continued to grow and have won new business in North America and Europe with significant growth potential in the next two years.

The Die casting business experienced marginal decline due to product mix in North America, the customers preferring SUV's over PCs due to steep drop in fuel prices. The Company has taken serious efforts to get on Board the SUV models as well. The Company has commenced shipment of products in the last quarter from its new plant which will add significant sales volume in the coming years.

During the year the Company has also secured its first die casting program from Europe.

The break-up of the export sales is given below:

Overseas Acquisition :

As a first step towards meeting its vision of establishing a global footprint, the Company has set up a 100% Wholly Owned Subsidiary (WOS) in The Netherlands, Rane (Madras) International Holdings, B.V. (RMIH). The Company has invested 20,000 Euros towards the equity of this WOS. The Company has identified and acquired Precision Die Casting Inc (PDC), a high pressure aluminium die casting company based in Kentucky, USA, which manufactures high-quality, complex lightweight aluminium die castings for the North American automotive market. The strategic rationale in acquiring PDC were as follows:

- ✓ North American customers have been urging the Company to establish a local facility
- ✓ A greenfield project of an equivalent capacity would require a much higher investment.
- ✓ Acquisition would cut the time needed to build a business portfolio in North America.

The Company acquired PDC as a first level step down subsidiary through RMIH and renamed its as Rane Precision Die Casting, Inc. (RPDC). During the year, the Company has lent USD 2.0 million to RMIH to invest in RPDC and has also extended a guarantee for a similar amount to the bankers of RPDC.

Operational and Financial Performance

Financial Review

The Company achieved a turnover of ₹ 829.37 Crores, a growth of 10% over the previous year. The Company continues to experience inflationary pressures in its input costs such as labour, power rates etc. In addition, changes in statutory regulations such as the recent amendment to the Payment of Bonus Act (with a retrospective amendment from 2014-15 as well as an enhancement in the wage and ceiling limit) has impacted the cost structure. As the market conditions were difficult, the Company has planned for stringent cost control measures and initiated cost reduction projects in variable cost to offset the impact of the cost increases.

The Company also incurred an exceptional expenditure of ₹ 2.70 Crores towards separation benefits for its employees opting for a voluntary retirement scheme. The profit before taxation of ₹ 18.66 Crores was arrived after netting off such exceptional

expenditure. The profit after tax was ₹ 14.09 Crores as against ₹ 12.44 Crores in the previous year.

Operations and Manufacturing Review

Last year, the Company engaged an international consultancy firm to assist in defining the long term strategy of the Company. In this financial year, the Company has started implementing the initiatives identified in this direction. The Company started focusing on business from Tier 1 global vehicle manufacturers and this led to winning two new business on this account.

The operations management continued to engage in various lean productivity measures as well as other productivity improvement and cost reduction projects.

The Hydraulic systems plant in Mysuru enabled us to enhance our capabilities in becoming a systems solution provider, thereby meeting the demand of various customers in the Farm Tractor segment as well as Commercial vehicles segment.

The new state of the art R&D facility established in Puducherry helped the Company to design, develop, test and validate new products that would meet our global customer requirements. The Company is also engaged in the development of a proto shop for product development which will go in meeting the expectations of global customers sourcing rack and pinion products.

The Company successfully carried out a seamless transfer of manufacturing operations from its Velachery plant to the Varanavasi plant as planned.

There is a constant evaluation of inhouse vs out sourcing decision in order to optimize capital expenditure.

The Company successfully commissioned its second die casting plant in Hyderabad. This plant was built to handle the future expansion plans of the die cast business. The plant has commenced operations by producing products for new programs to meet customer demands in the North American and Europe region and a ramp up of volumes is expected from this plant in 2016-17.

Pursuit of business excellence

The Company was part of the Rane Group initiative to shift focus from operational excellence to business excellence through the Rane Business Excellence Model (RBEM) program. By demonstrating achievement of various parameters under this model, the Company has communicated to all its stakeholders that business excellence is a continuous journey and not a mere destination. The Company is constantly striving to re-engineer its business processes and systems in an attempt to shift from meeting customer satisfaction to seeking customer delight.

The Company has won the following awards from customers:

- ✓ R&D award from Maruti Suzuki
- ✓ Design to Cost award from Renault Nissan
- ✓ Quality achievement award from Polaris for the second consecutive year

Outlook

The Indian economy is forecast to grow at 7.6% (source: KPMG). The recent budget with its strong emphasis on high spends in the infrastructure and agriculture sectors is expected to stimulate growth in the auto industry. The economic reforms introduced by the government, a stable macro-economic environment and the falling commodity prices are some of the factors that have helped India achieve strong economic growth estimates.

The Passenger Car market is expected to grow at a CAGR of 9% to 10% (domestic and exports) over the medium term. With a strong expectation of the revival of the infrastructure and industrial sectors, the Company expects the LCV and M&HCV segment to register a high growth rate. This would have a very positive impact on the Company's growth.

The Company is poised to grow through new businesses won in Passenger Car segment and Hydraulics. After Market and Exports will continue to be a focus area to offset the uncertainty of the domestic OE business.

The following additional initiatives are being undertaken as a way forward:-

- ✓ Expanding the die-casting portfolio to Europe and identifying new domestic customers
- ✓ Become a significant player in Hydraulics
- ✓ Pursue new customers for Steering Gears and achieve breakthrough in ball joints in the exports segment
- ✓ Expanding the After Market product range beyond its current product portfolio

Opportunities & Threats

As part of its annual Strategic Business Plans review, the Company carries out a Strengths, Weakness, Opportunities and Threats (SWOT) analysis and draws out action plans to leverage on its opportunities and counter its threats.

The Company's main strengths are:

- ✓ A strong focus on customer requirements and the willingness to look beyond the stated needs of the customers.
- ✓ Ability to independently design and validate the products.
- ✓ A well-established TQM culture across all the functions
- ✓ A network of competent vendors

The main threats to which auto component industry is exposed to are:-

- ✓ Unceasing cost reduction demand from OEMs imposing pressure on operating margins.
- ✓ Volatility of commodity prices affecting the input costs structure.

- ✓ Dumping from neighbouring countries.
- ✓ Weak economic expansion in the developed countries.

Internal Control Systems

The Company has put in place robust internal control system to prevent operational risks through a framework of internal controls and processes. These controls ensure that the business transactions are recorded in a timely and complete manner in the financial records, resources are utilised effectively and the assets are safeguarded.

The internal audit function is outsourced to a professional firm of independent assurance service providers. The Audit Committee and the Board in consultation with the internal auditor, statutory auditor and operating management approve annual internal audit plan. The scope also covers the internal financial controls and internal controls over financial reporting. The internal audit findings are placed before the Audit Committee at each of its quarterly meeting for review. The management's responses and counter measures (interim actions as well as permanent measures) are discussed in the Audit Committee meetings. This process ensures robustness of internal control system and compliance with laws and regulations including resource utilization and system efficacy. Also, the Company, as part of its journey on continuous improvement, identifies areas/activities for converting from a manual process to an automated process in order to eliminate human dependency.

Risk Management

The Company has laid down well-structured procedures for monitoring the risk management plan and implementing the risk mitigation measures. The detailed matrix mapping various types of risks along with their respective controls is reviewed on a periodic basis. The risks are broadly classified into strategic risks, operational risks, financial risks and statutory compliance risks. These risks are rated based on factors such as past year experience, probability of occurrence, probability of non-detection and its impact on business. The top management reviews the strategic risks, the risks with high probability and high impact every quarter and presents its report along with risk mitigation plan to the Board of Directors on half-yearly basis. The strategic risks are considered while shaping the annual planning process. Other risks are covered as part of internal audit process and presented to the Audit Committee every quarter. The risk ratings are revalidated with the top management as part of the internal audit process every quarter. The overall re-assessment of risks at company level is carried out and presented to the Board of Directors once in two years for their review.

Human Resource Development and Industrial Relations

The Company continued to focus on aligning the people development processes to the strategic initiatives of the group and creating institutional mechanisms to fulfil the employer brand promise.

People Processes and Policies

Major policy initiatives during the year include introduction of performance pay for senior management to strengthen the high performance culture, created internal job posting portal to facilitate employees' access to opportunities across the group, and guidelines on social media presence for employees.

Leadership Development

In continuation with our efforts towards building leadership pipeline, Leadership Boot Camp and Executive Leadership Development programs were launched and the implementation of High Potential Leadership Development program was further strengthened, which was rolled-out in the previous year.

Leadership Boot Camp – Graduate Engineer Trainee (GET) Connect

It is a key block of our leadership framework that extensively focuses on strengthening the entry level talent for swift assimilation and performance. The objectives of the GET Connect program are to provide GETs with a holistic view of Rane, build necessary skills to be effective on the job and establish valuable connections with peers, recent graduates and experienced professionals across the group. During the year, 13 trainees were part of this program.

Executive Leadership Development (ELD)

ELD focuses on furthering leadership development for functional / operational leadership. ELD is designed to enhance readiness of leaders for larger roles & responsibilities, handling multiple functions, job rotations to other businesses. During the year, 4 executives participated in this program. The outcome envisaged is a significant group wide enhancement of leadership capacity and capability that translates into winning teams and performances.

The Company signed a long term settlement with the employees union during the year. The industrial relations were generally cordial in all the plants.

Corporate Social responsibility (CSR)

During the heavy rains in Tamilnadu, the Company played a very active role in providing relief materials to areas which were very badly affected and not accessible in Chennai and Cuddalore. The items distributed included, drinking water, food packets, medicines, bedsheets, mosquito repellents and clothes. More than 2000 people benefited from this relief work.

Cautionary Statement

The information and opinion expressed in this report may contain certain forward-looking statements, which the management believe are true to the best of its knowledge at the time of its preparation. Actual results may differ materially from those either expressed or implied in this report.

Independent Auditors' Report to the Members of Rane (Madras) Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Rane (Madras) Limited** ("the Company"), which comprise the Balance Sheet as at 31 March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting

Standards prescribed under section 133 of the Act, as applicable.

- e) On the basis of the written representations received from the directors as on 31 March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting
- g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in

its financial statements – Refer Note 28 to the financial statements.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Rane (Madras) Limited** (“the Company”) as of 31 March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over

financial reporting were operating effectively as at 31 March, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential

components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Annexure “B” to the Independent Auditors’ Report

(Referred to in paragraph (2) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

- (i) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) Some of the fixed assets were physically verified during the year by the Management in accordance with a programme of verification, which in our opinion provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us no material discrepancies were noticed on such verification.
- (c) With respect to immovable properties of acquired land and buildings that are freehold, according to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deeds / conveyance deeds / court order approving scheme of arrangement / amalgamation provided to us, we report that, the title deeds of such immovable properties are held in the name of the Company as at the Balance Sheet date.
- Immovable properties of land and buildings whose title deeds have been pledged with banks as security for term loans, are held in the name of the Company based on the Mortgage deed executed between the bank and the Company for which confirmations have been obtained from respective bankers.
- In respect of immovable properties of land and buildings that have been taken on lease and disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees, as applicable.
- (v) In respect of deposits amounting to ₹ 1.23 crores accepted in earlier years and which have not fallen due for payment and remain outstanding as at 31 March 2016 as per the terms of acceptance of these deposits, taking into account the approval obtained from the Company Law Board for repayment of the fixed deposits on the respective maturity dates in accordance with the terms of acceptance of these deposits as given in Note No. 4.7, the Company has complied with the provisions of section 73 and section 74 of the Companies Act 2013. According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees’ State Insurance, Income-Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income-Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues in arrears as at 31 March 2016 for a period of more than six months from the date they became payable.

Notes forming part of the Financial Statements

Corporate Information

The Company is engaged in manufacturing of Steering and suspension linkage products, Steering gear products and high precision aluminium die casting products. The Company is a significant supplier to major manufacturers of passenger cars, utility vehicles, and farm tractors across the globe. The Company has manufacturing locations at Tamilnadu, Puducherry, Karnataka, Uttarkhand and Telangana.

Note 1 : Significant accounting policies

1.1 Basis of accounting and preparation of Financial Statements

The Financial Statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable and Accounting Standard 30 on "Financial Instruments-Recognition and Measurement" as set out in Note 1.21 below. The Financial Statements have been prepared on accrual basis under the historical cost convention method. The accounting policies adopted in the preparation of the Financial Statements are consistent with those followed in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the normal time between the acquisition of the assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non current classification of its assets and liabilities as current and non-current.

1.2 Use of Estimates

The preparation of the Financial Statements in conformity with Generally Accepted Accounting Principles in India requires the Management to make estimates and assumptions that affects the reported amounts of assets and liabilities as of the Balance Sheet date, the reported amount of revenue and expenses for the year and disclosure of contingent liabilities as of the Balance Sheet date. The estimates and assumptions used in the Financial Statements are based upon management's evaluation of relevant facts and circumstances as on the date of the Financial Statements. Actual results could differ from these estimates and the differences between the actual results and the estimates are recognised in the period in which the results are known / materialised.

1.3 Inventories

Inventories are valued at the lower of cost on moving weighted average basis and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

1.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.5 Cash flow statement

Cash flows are reported using the indirect method, whereby Profit / (Loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.6 Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Assets	Useful life (in years)
Vehicles	5 Years
Furniture and Fixtures	5 Years
Office Equipments (other than computers)	3 Years
Computers	3 Years
Capital tooling	3-5 Years

Cost of Leasehold land is amortised over the period of the lease. Leasehold land development costs are amortised over a period of ten years. Assets individually costing ₹ 10,000 or less are fully depreciated in the year of addition.

License fees paid for technical assistance are amortised on a straight-line basis over the period of the license. Software license fees are amortised on a straight-line basis over a period of three years.

Goodwill is amortised over a period of five years.

1.7 Revenue recognition

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales are recognized on inwarding of goods at customer's end, where applicable as per terms of sale (for Domestic) and on the date of bill of lading (for Exports). Sales include excise duty but exclude sales tax and value added tax.

1.8 Other Income

Interest income is accounted on accrual basis.

1.9 Fixed Assets (Tangible / Intangible)

Fixed Assets are stated at cost of acquisition/construction less accumulated depreciation/amortization, impairment loss, if any, and inclusive of borrowing cost attributable to acquisition of qualifying fixed assets, where applicable, and adjustments for exchange differences referred to in Note 1.10 below. Cost includes inward freight, non-refundable duties/taxes and incidental expenses directly related to acquisition/installation. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Advance paid towards the acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as capital advances under long term loans and advances.

1.10 Foreign currency transactions and translations

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction or restated at the

closing exchange rates. Exchange differences arising on actual payments / realisations and year-end restatements of foreign currency monetary items, excluding long term foreign currency monetary items (see below), are dealt with in the Statement of Profit and Loss.

Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the Balance Sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

Exchange difference on long-term foreign currency monetary items: The exchange differences arising on settlement / restatement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. If such monetary items do not relate to acquisition of depreciable fixed assets, the exchange difference is amortised over the maturity period / upto the date of settlement of such monetary items, whichever is earlier, and charged to the Statement of Profit and Loss. The unamortised exchange difference is carried under Reserves and surplus as "Foreign currency monetary item translation difference account" net of the tax effect thereon, where applicable.

Accounting for forward contracts

Premium or discount on forward exchange contracts (i.e. the difference between the forward exchange rate and the exchange rate at the date of transaction) is accounted for as income/expense over the life of the contract if such contracts relate to monetary items as at the Balance Sheet date. Profit or Loss on cancellation of forward contracts are recognized as income/expense in the Statement of Profit and Loss for the year in which they are cancelled.

Refer notes 1.21 and 1.22 for accounting for forward exchange contracts relating to firm commitments and highly probable forecast transactions.

1.11 Export incentives

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

1.12 Employee benefits

Employee benefits include Provident Fund, Superannuation Fund, Employee State Insurance Scheme, Gratuity Fund, Compensated Absences, Long Service Awards and Post-employment Medical Benefits.

a. Short term benefits

Short term Employee benefits (i.e. benefits falling due within one year after the end of the period in which employees render the related service) are recognized as expense in the period in which employee services are rendered as per the Company's scheme based on expected obligations on undiscounted basis. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

b. Post-employment benefits

Post-employment benefits comprise of Provident Fund, Superannuation Fund and Gratuity which are accounted for as follows:

i) Provident Fund

This is a defined contribution plan and contributions are remitted to Provident Fund authorities in accordance with relevant statute and charged to Statement of Profit and Loss in the period in which the related employee services are rendered. The Company has no further obligations for future Provident Fund benefits other than its monthly contributions.

ii) Superannuation Fund

This is a defined contribution plan. The Company contributes, based on the options exercised by the eligible employees, a sum equivalent to 5%/10%/15% of eligible employees' applicable salary towards Superannuation Fund administered by the Trustees and managed by Life Insurance Corporation of India (LIC). The Company has no further obligations for future superannuation benefits other than its contributions and recognizes such contributions as expense in the period in which the related employee services are rendered.

iii) Gratuity

This is a defined benefit plan. The Company's scheme is administered by the LIC. The liability is determined based on year-end actuarial valuation by an independent actuary using projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

c. Other Long term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

d. Termination benefits

Termination benefits represent compensation towards Voluntary Retirement Scheme which is expensed as incurred. Termination benefits falling due for more than twelve months after the Balance Sheet date are accounted using appropriate discount rates.

1.13 Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

Discount on commercial papers (the difference between the issue price and the redemption value) is apportioned on time basis and recognised as discounting expense.

1.14 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

1.15 Earnings per share

Basic earnings per share is computed by dividing the Profit / (Loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the Profit / (Loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

1.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability

1.17 Research and Development expenses

Revenue expenditure on Research and Development is charged off in the year in which it is incurred. Capital expenditure on Research and Development is included under Fixed Assets.

1.18 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

1.19 Provisions and contingencies

Provisions are recognised when the Company has a present obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions (excluding employee benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the Financial Statements.

1.20 Provision for warranty

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise - being typically upto two years. As per the terms of the contracts, the Company provides post-

contract services / warranty support to some of its customers. The Company accounts for the post-contract support / provision for warranty on the basis of the information available with the Management duly taking into account the current and past technical estimates.

1.21 Hedge accounting

The Company uses derivative financial instruments such as foreign exchange forward contracts, option contracts, currency and interest rate swaps to hedge its exposure in movements in foreign exchange rates and interest rates relating to underlying transaction. These forward, option, currency and interest rate swap contracts are not used for trading/ speculation purposes.

The Company adopted in an earlier year Accounting Standard 30, "Financial Instruments: Recognition and Measurement" issued by The Institute of Chartered Accountants of India to the extent the adoption does not contradict with existing mandatory applicable Accounting Standards and other relevant regulatory requirements.

In the case of forward and option contracts that are designated as effective cash flow hedges, the gain or loss from the effective portion of the hedge is recorded and reported directly in reserves (under the "Hedging Reserve Account", net of applicable deferred income taxes) and are reclassified into the Statement of Profit and Loss in the same periods during which the forecasted transaction affects Profit or Loss. However, the ineffective portion of the cash flow hedges, are recognized in the Statement of Profit and Loss as it arises.

1.22 Derivative contracts [other than forward exchange contracts covered under AS 11 (refer Note 1.10 above)]

The Company recognizes gains or losses from changes in fair values of forward, option, currency and interest rate swap contracts that are not designated in a hedge relationship through the Statement of Profit and Loss in the period in which they arise.

1.23 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

1.24 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

* Experience adjustment has been disclosed upto FY 2011-12 based on the information available in the actuarial valuation report.

The Company has invested the plan assets with the insurer managed funds. The insurance company has invested the plan assets in Government Securities, Debt Funds, Equity Shares, Mutual Funds, Money Market Instruments and Time Deposits. The expected rate of return on plan asset is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligation.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. The expected rate of return on plan assets is based on the composition of plan assets held (through LIC), historical results of the return on plan assets, the Company's policy for plan asset management and other relevant factors.

Independent Auditors' Report to the Members of Rane (Madras) Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Rane (Madras) Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31 March, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the Auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- a) We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets of ₹ 99.94 crores as at 31 March, 2016, total revenues of ₹ 29.17 crores and net cash flows amounting to ₹ Nil crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion

on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the reports of the other auditors.

- b) We did not audit the financial statements of one subsidiary whose financial statements reflect total assets of ₹ 13.57 crores as at 31 March, 2016, total revenues of ₹ Nil and net cash flows amounting to ₹ 0.04 crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with Accounting Standards prescribed under Section 133 of the Act, as applicable.

- e) On the basis of the written representations received from the directors of the Holding Company as on 31 March, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, none of the directors of the Group companies incorporated in India is disqualified as on 31 March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in "Annexure A", which is based on the Auditors' reports of the Holding company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.

Annexure “A” to the Independent Auditors’ Report

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting of **Rane (Madras) Limited** (hereinafter referred to as “the Holding Company”).

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Holding company are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing

the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls

system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on “the internal control over financial reporting criteria established by the Company considering the

essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Notes forming part of the Consolidated Financial Statements

Corporate Information

The Company is engaged in manufacturing of Steering and suspension linkage products, steering gear products and high precision aluminium die casting products. The Company is a significant supplier to major manufacturers of passenger cars, utility vehicles, and farm tractors across the globe. The Company has manufacturing locations at Tamilnadu, Puducherry, Karnataka, Uttarkhand and Telangana.

In a significant move towards pursuing opportunities overseas for inorganic business growth aligned with the strategic goals, the Company acquired Precision Die Casting Inc.(PDC)in USA on 17 February 2016, engaged in the business of manufacturing high pressure aluminium die casting for automotive applications like steering and compressor related die casting components. This investment is held by Rane (Madras) International Holdings, B.V, Netherlands, a Wholly Owned Subsidiary of the Company ('RMIH'/'WOS'), incorporated during the year, to hold strategic overseas investments of the Company. Accordingly, this is the first Consolidated Financial Statements of the Company.

Note 1 : Significant accounting policies

1.1 Basis of accounting and preparation of Financial Statements

The Financial Statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable and Accounting Standard 30 on "Financial Instruments-Recognition and Measurement" as set out in Note 1.21 below. The Financial Statements have been prepared on accrual basis under the historical cost convention method.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the normal time between the acquisition of the assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non current classification of its assets and liabilities as current and non-current.

1.2 Use of Estimates

The preparation of the Financial Statements in conformity with Generally Accepted Accounting Principles in India requires the Management to make estimates and assumptions that affects the reported amounts of assets and liabilities as of the Balance Sheet date, the reported amount of revenue and expenses for the year and disclosure of contingent liabilities as of the Balance Sheet date. The estimates and assumptions used in the Financial Statements are based upon management's evaluation of relevant facts and circumstances as on the date of the Financial Statements. Actual results could differ from these estimates and the differences between the actual results and the estimates are recognised in the period in which the results are known / materialised.

1.3 Inventories

Inventories are valued at the lower of cost on moving weighted average basis and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

1.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.5 Cash flow statement

Cash flows are reported using the indirect method, whereby Profit / (Loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.6 Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Assets	Useful life (in years)
Vehicles	5 Years
Furniture and Fixtures	5 Years
Office Equipments (other than computers)	3 Years
Computers	3 Years
Capital tooling	3-5 Years

Cost of Leasehold land is amortised over the period of the lease. Leasehold land development costs are amortised over a period of ten years. Assets individually costing ₹ 10,000 or less are fully depreciated in the year of addition.

License fees paid for technical assistance are amortised on a straight-line basis over the period of the license. Software license fees are amortised on a straight-line basis over a period of three years.

Goodwill is amortised over a period of five years.

In respect of a subsidiary:

Assets	Useful life (in years)
Machinery & equipment	8-9 Years
Molds	3-4 Years
Vehicles	4-5 Years
Computers	4-5 Years

1.7 Revenue recognition

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales are recognized on inwarding of goods at customer's end, where applicable as per terms of sale (for Domestic) and on the date of bill of lading (for Exports). Sales include excise duty but exclude sales tax and value added tax.

1.8 Other Income

Interest income is accounted on accrual basis.

1.9 Fixed Assets (Tangible / Intangible)

Fixed Assets are stated at cost of acquisition/construction less accumulated depreciation/amortization, impairment loss, if any, and inclusive of borrowing cost attributable to acquisition of qualifying fixed assets, where applicable, and adjustments for exchange differences referred to in Note 1.10 below. Cost includes inward freight, non-refundable duties/taxes and incidental expenses directly related to acquisition/installation. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over

the useful life of the principal item of the relevant assets. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Advance paid towards the acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as capital advances under long term loans and advances.

1.10 Foreign currency transactions and translations

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction or restated at the closing exchange rates. Exchange differences arising on actual payments / realisations and year-end restatements of foreign currency monetary items, excluding long term foreign currency monetary items (see below), are dealt with in the Statement of Profit and Loss.

Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the Balance Sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

Exchange difference on long-term foreign currency monetary items: The exchange differences arising on settlement / restatement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. If such monetary items do not relate to acquisition of depreciable fixed assets, the exchange difference is amortised over the maturity period / upto the date of settlement of such monetary items, whichever is earlier, and charged to the Statement of Profit and Loss. The unamortised exchange difference is carried under Reserves and surplus as "Foreign currency monetary item translation difference account" net of the tax effect thereon, where applicable.

Accounting for forward contracts

Premium or discount on forward exchange contracts (i.e. the difference between the forward exchange rate and the exchange rate at the date of transaction) is accounted for as income/expense over the life of the contract if such contracts relate to monetary items as at the Balance Sheet date. Profit or Loss on cancellation of forward contracts are recognized as income/expense in the Statement of Profit and Loss for the year in which they are cancelled.

Refer notes 1.21 and 1.22 for accounting for forward exchange contracts relating to firm commitments and highly probable forecast transactions.

In respect of a Subsidiary

All the assets and liabilities, both monetary and non-monetary items, are translated into the reporting currency at the exchange rate in effect at 31 March 2016 and income and expense items are translated at the average rate applicable for the period ended 31 March 2016. All the opening assets and liabilities, both monetary and non-monetary items, and equity accounts are translated into the reporting currency at the exchange rate in effect at 17 February 2016. Functional currency of the Company is the United States Dollar ("USD") and the reporting currency, the Indian Rupee (INR).

1.11 Export incentives

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

1.12 Employee benefits

Employee benefits include Provident Fund, Superannuation Fund, Employee State Insurance Scheme, Gratuity Fund, Compensated Absences, Long Service Awards and Post-employment Medical Benefits.

a. Short term benefits

Short term Employee Benefits (i.e., benefits falling due within one year after the end of the period in which employees render the related service) are recognized as expense in the period in which employee services are rendered as per the Company's scheme based on expected obligations on undiscounted basis. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

b. Post-employment benefits

Post-employment benefits comprise of Provident Fund, Superannuation Fund and Gratuity which are accounted for as follows:

i) Provident Fund

This is a defined contribution plan and contributions are remitted to Provident Fund authorities in accordance with relevant statute and charged to Statement of Profit and Loss in the period in which the related employee services are rendered. The Company has no further obligations for future Provident Fund benefits other than its monthly contributions.

ii) Superannuation Fund

This is a defined contribution plan. The Company contributes, based on the options exercised by the eligible employees, a sum equivalent to 5%/10%/15% of eligible employees' applicable salary towards Superannuation Fund administered by the Trustees and managed by Life Insurance Corporation of India (LIC). The Company has no further obligations for future superannuation benefits other than its contributions and recognizes such contributions as expense in the period in which the related employee services are rendered.

iii) Gratuity

This is a defined benefit plan. The Company's scheme is administered by the LIC. The liability is determined based on year-end actuarial valuation by an independent actuary using projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

In respect of a subsidiary:**iv) Pension plan**

The Company provides for post-retirement benefit, disability and death benefits ("the Plan") vide Precision Die Casting Union Retirement Plan which covers eligible employees with a date of hire before October 11, 2010, except for the employees in the categories as defined under section 2.2 (2) of the Plan document, who are eligible to participate in the Plan upon meeting the following eligibility requirement: completion of one hour of service with the Company and provided that he/she was a union employee covered by local No. 2407 of United Auto Workers.

A participant is eligible for his normal retirement pension after the participant has attained age of 62 and terminates employment. A participant shall receive a monthly benefit payable at normal retirement age equal to:

- \$23:00 multiplied by years of benefit service from December 2003 to October 10, 2005; plus
- \$24:00 multiplied by years of benefit service from October 2005 to October 9, 2006; plus
- \$25:00 multiplied by years of benefit service from October 9, 2006, to October 8, 2007; plus

- \$26:00 multiplied by years of benefit service from October 5, 2007 to December 16, 2010; plus
- \$16:00 multiplied by benefit service after December 16, 2010.

Disability benefit:

The benefit will be payable in the form of a lifetime pension until the earliest of: recovery, death or normal retirement date.

Death benefit:

If a participant dies after he/she has become vested under the Plan but before he/she begins to receive a retirement pension benefit, his/her spouse will receive a 50% survivor benefit if he/she has been married at least one year.

The liability with regards to the Plan are determined by the actuarial valuation, performed by an independent actuary, at each Balance Sheet date using projected unit cost method. The Company contributes all ascertained liabilities to the registered investment companies which are held under a separate trust through custodian, Charles Schwab, as permitted by the Department of Labour. The Company recognizes the net obligation of the Plan in the Balance Sheet as an asset or liability, respectively, in accordance with Accounting Standard 15, "Employee benefits". The Company's overall long term rate of return on assets has been determined based on the available market information and the historical and expected future investments trends of present and expected assets in the Plan. The discount rate is based on the Government securities yield or equivalent corporate bond. Actuarial gains and losses arising from the experience adjustments and changes in actuarial assumptions are recognized in the statement of Profit and Loss in the period in which they arise.

c. Other Long term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

d. Termination benefits

Termination benefits represent compensation towards Voluntary Retirement Scheme which is expensed as incurred. Termination benefits falling due for more than twelve months after the Balance Sheet date are accounted using appropriate discount rates.

1.13 Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

Discount on commercial papers (the difference between the issue price and the redemption value) is apportioned on time basis and recognised as discounting expense.

1.14 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

1.15 Earnings per share

Basic earnings per share is computed by dividing the Profit / (Loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the Profit / (Loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential

equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

1.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability

1.17 Research and development expenses

Revenue expenditure on Research and Development is charged off in the year in which it is incurred. Capital expenditure on Research and Development is included under Fixed Assets.

1.18 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

1.19 Provisions and contingencies

Provisions are recognised when the Company has a present obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions (excluding employee benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the Financial Statements.

1.20 Provision for warranty

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise - being typically upto two years. As per the terms of the contracts, the Company provides post-contract services / warranty support to some of its customers. The Company accounts for the post-contract support / provision for warranty on the basis of the information available with the Management duly taking into account the current and past technical estimates.

1.21 Hedge accounting

The Company uses derivative financial instruments such as foreign exchange forward contracts, option contracts, currency and interest rate swaps to hedge its exposure in movements in foreign exchange rates and interest rates relating to underlying transaction. These forward, option, currency and interest rate swap contracts are not used for trading/ speculation purposes.

The Company adopted in an earlier year Accounting Standard 30, "Financial Instruments: Recognition and Measurement" issued by The Institute of Chartered Accountants of India to the extent the adoption does not contradict with existing mandatory applicable Accounting Standards and other relevant regulatory requirements.

In the case of forward and option contracts that are designated as effective cash flow hedges, the gain or loss from the effective portion of the hedge is recorded and reported directly in reserves (under the "Hedging Reserve Account", net of applicable deferred income taxes) and are reclassified into the Statement of Profit and Loss in the same periods during which the forecasted transaction affects profit or loss. However, the ineffective portion of the cash flow hedges, are recognized in the Statement of Profit and Loss as it arises.

1.22 Derivative contracts [other than forward exchange contracts covered under AS 11 (refer Note 1.10 above)]

The Company recognizes gains or losses from changes in fair values of forward, option, currency and interest rate swap contracts that are not designated in a hedge relationship through the Statement of Profit and Loss in the period in which they arise.

1.23 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

1.24 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

* Experience adjustment has been disclosed upto FY 2011-12 based on the information available in the actuarial valuation report.

The Company has invested the plan assets with the insurer managed funds. The insurance company has invested the plan assets in Government Securities, Debt Funds, Equity Shares, Mutual Funds, Money Market Instruments and Time Deposits. The expected rate of return on plan asset is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligation.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. The expected rate of return on plan assets is based on the composition of plan assets held (through LIC), historical results of the return on plan assets, the Company's policy for plan asset management and other relevant factors.
