Auto components manufacturers' apex body Automotive Component Manufacturers Association of India (ACMA) on Tuesday has elected Harish Lakshman, Managing Director, Rane TRW Steering Systems, as its new President.

Ramesh Suri, Chairman, Global Autotech, has been elected Vice-President for the term 2013-14, ACMA said in a statement. "Working with the vehicle manufacturers, the Government and its various ministries and helping the component manufacturers improve their cost structures, will be the immediate focus areas," the President said.

"The new ACMA Executive Committee comprises some of the eminent leaders from the auto component sector. We look forward to their active engagement and contribution," said Vinnie Mehta, Executive Director.
