Caution regarding forward-looking statements

In this annual report, we have disclosed some forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expect', 'project', 'intend', 'plan', 'believe' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Dream. Design. Deliver.

As the world becomes One, it is in midst of paradigm shifts. Change and disruptions are becoming norms than exceptions. Financial gyrations in one country can have serious consequences in another. An economic slowdown sneeze in two-three countries can give major economies a serious cold. Technology innovations can change the course of the same or another industry. The era of isolation is long over.

No other industry is witnessing these rapid changes as the Auto industry. Electric cars, self-driving cars, new ownership models, the blurring lines between technology and auto companies... these are few of the disruptions causing upheavals in the auto and auto ancillary industries. But for the brave hearts and the prepared, these disruptions are also serious opportunities not to be missed.

We believe in the untapped rewards the disruption will bring to the industry. We think that the only way to surf the waves of the oncoming chaos is to map the future and start exploring ways to chart it. As a first step, we have created a blueprint - Vision 2020, for the Company to find new profitable spaces and consolidate existing market leadership. The essence of the new vision rests on 3D – Dream, Design and Deliver.

Dream...
a world-class enterprise

Design...
transport solutions for tomorrow

Deliver...
sustained accelerated value

Management Discussion and Analysis

OVERVIEW

Rane Engine Valve Limited (REVL) is a manufacturer of engine valves, guides and tappets for passenger cars, commercial vehicles, farm tractors, stationary engines, railway / marine engines and two/three wheelers. The Company operates in single reportable business segment viz. components for internal combustion engine industry applicable for stationary and transportation engine applications.

Industry Structure, Developments & Performance

The growth trend continued in the Passenger car and MUV segment and was even higher than last year. The launch of many new vehicle models has contributed to this growth. The M&HCV segment grew by 27%. This will be fuelled further by the recent budget announcement of large investment in Infrastructure growth in the country with ₹ 97,000 Cr allotted to road development for the FY 2016-17.

Erratic monsoon and droughts continued to hamper the sentiments of the Agriculture and Farming sector affecting the Farm Tractor business.

Industry Growth

During the year under review the growth in the domestic automotive industry is given below:

Industry Segment (Production figures)	Growth in % (YoY change)	
	2015-16	2014-15
Vehicles		
Passenger Cars (PC)	4%	4%
Utility Vehicles (MUV)	14%	10%
Vans (MPV)	6%	-12%
Small Commercial Vehicles (SCV)	-10%	-20%
Light Commercial Vehicles (LCV)	10%	-4%
Medium & Heavy Commercial Vehicles (M&HCV)	27%	21%
3 - Wheelers	-2%	14%
2 - Wheelers	2%	10%
Farm Tractors (FT)	-7%	-13%

Market & Product Summary

The break-up of sales and growth by market segment for the company is given below:

Market	2015-16	2014-15	Growth in %
OEM	194.49	203.18	-4%
Aftermarket	45.38	52.86	-14%
Railways	3.35	10.36	-68%
Defence	3.87	3.63	7%
Exports	95.35	117.54	-19%
Total	342.44	387.57	-12%

Domestic OEM sales declined by 4 % mainly due to:-

- Lower off take in served models in Passenger Car / Tractor segments
- An overall modest growth in Two Wheelers and weak presence of your company in Scooter segment which did well compared to motorcycles.

Export sales declined by 19% due to:-

- Lower off take from a major European customer and end of major customer program in FY 2015-16.
- Export Aftermarket de-growth due to lower off take from a major Middle Eastern customer.
- Impact on the Large Valve business on account of slowdown of Oil and Gas industry resulting in lower off take from locomotive valve customers.

Other Market Segments:

- New entrants in Railway business affected sales.
- Lower market demand affected the aftermarket revenues.
- Efforts are being made to improve competitiveness in Railways / Defence / Aftermarket segments.

The break-up of sales and growth by products for the company is given below:

₹ In Crores

Market	2015-16	2014-15	Growth in %
Automotive Engines	231.97	278.22	-17%
Other Engines	110.47	109.35	1%
Total	342.44	387.57	-12%

OPERATIONAL AND FINANCIAL PERFORMANCE

Financial Review

The net sales of the Company is ₹ 342.44 crores in 2015-16, with a decline by 12% when compared to the previous year.

The company made an operating loss (before exceptional items) of ₹ 35.15 crores compared to an operating loss (before exceptional items) of ₹ 13.12 crores last year. However, including the exceptional items, the net loss before tax was ₹ 17.66 crores as against net profit before tax of ₹ 31.46 crores in the previous year.

The exceptional items for the year 2015-16 includes (i) Expense of ₹ 10.05 crores towards separation benefits for its employees opting for a voluntary retirement scheme and (ii) Income of ₹ 27.54 crores from sale of land.

The company as part of the rationalization of facilities consolidated the Peenya Plant (Bengaluru) with Hirehalli Plant (Tumakuru) to become more cost efficient.

Operations and Manufacturing Review

Your company has invested in R&D in terms of enhancing design and validation capability and process technology. This will continue in the coming years as well, in-line with its vision to be a 'solution provider' to its customers' needs.

The newer emission norms & power increase in engines demand newer solutions. The company has already initiated dialogue with customers to develop high performance materials and special surface coating to provide pro-active solutions. The Company during the year developed valves for Euro 6 application and CNG application requirements for European and Indian customers.

Various cost reduction initiatives undertaken during last year continued this year also with focus on long term improvements in productivity and raw material / in-house quality costs.

Your Company continues its good performance on external quality with customer line rejection level less than 10 parts per million. The following quality and environment management system accreditations were received by the Company:

Independent Auditor's Report

To

The Members of Rane Engine Valve Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Rane Engine Valve Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
4. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend

on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

Annexure – “B” the Independent Auditor’s Report

Referred to in Paragraph 9(f) of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of Rane Engine Valve Limited (“the Company”) as of March 31, 2016, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

3. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining

an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions,

or that the degree of compliance with the policies or procedures may deteriorate.

stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control

Notes forming part of the Financial Statements

for the year ended 31st March 2016

1. SIGNIFICANT ACCOUNTING POLICIES

System of Accounting

1.1 The financial statements are prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

1.2 The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Examples of such estimates include allowance for uncollectible accounts receivables, future obligations under employees benefit plans, useful life of depreciable fixed assets, accounting for employee cost pending execution of agreements with workmen unions etc. Actual results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognised in the period in which the results are known / materialise.

1.3 Fixed Assets, Impairment & Depreciation

Fixed assets are stated at cost. None of the fixed assets has been revalued. Expenses incurred in connection with project prior to the commencement of commercial production are treated as part of project cost and capitalised as part of fixed assets.

If an asset is carried at a value more than the recoverable amount through use or sale of the asset, such impairment of asset is recognized as expenditure of the year. If such impairment ceases to exist then the same is recognized as income of that year.

1.4 In respect of fixed assets (other than freehold land and capital work-in-progress) acquired during the year, depreciation / amortisation is charged on a straight line basis so as to write off the cost of the assets over the useful lives and for the assets acquired prior to April 1, 2014 is depreciated over the remaining useful life based on evaluation.

Depreciation - Useful life of assets

A. Category of assets for which useful life is as per Schedule II of the Companies Act, 2013

SI No.	Category	Useful life of assets (Yrs.)
1	Buildings (other than factory buildings)	60

SI No.	Category	Useful life of assets (Yrs.)
2	Factory Buildings	30
3	Plant & Machinery (Single shift)	15
4	Computers (desktops, laptops, etc.)	3
5	Servers and networks	6

B. Category of assets for which useful life shorter than as prescribed under Schedule II of the Companies Act, 2013 is adopted

SI No.	Category	Useful life of assets (Yrs.)
1	Furniture and fittings	5
2	Office Equipments	3
3	Vehicles	5
4	Intangibles (Technical know how)	6
5	Intangibles (Major software licenses)	3
6	Intangibles (Internally Generated)	3

In the case of Second hand assets and certain Plant & Machinery, depreciation is calculated taking into account the estimated useful life of the assets.

Assets costing individually up to Rs. 10,000/- shall be depreciated fully in the year of capitalisation with a residual value of Re.1/-.

1.5 Inventories

Raw materials, work in progress and finished goods are valued at lower of cost and net realisable value. Other items of inventory are valued at cost. Cost is determined on Weighted Average basis. Cost includes conversion and other costs incurred in bringing the inventories to the present location and condition.

1.6 Foreign Currency Transactions

Transaction and Translation

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities are translated at year end exchange rates. Exchange differences arising on settlement and translation of monetary items other than for acquisition of fixed assets, at the year end are recognised as income or expense in the year in which they arise.

Premium or discount on forward / option contracts is amortised over the life of such contracts and is recognised as income or expense in the Profit and Loss account.

Exchange differences arising on settlement / translation of long term monetary items utilized for acquisition of fixed assets are adjusted to carrying cost of fixed assets.

1.7 Derivative instruments and Hedge accounting:

The Company is exposed to foreign currency fluctuations on foreign currency assets and forecasted cash flows denominated in foreign currency. The Company limits the effects of foreign exchange rate fluctuations by following established risk management policies including the use of derivatives. The Company enters into forward contract and option contracts, where the counterparty is a bank.

The changes in the fair values of forward contracts and options designated as cash flow hedges are recognised directly in 'Hedge Reserve Account' being part of the shareholders' funds and reclassified into the profit and loss account upon the occurrence of the hedged transactions. The changes in fair value relating to the ineffective portion of the cash flow hedges and forward contracts / options not designated as cash flow hedges are recognised in the profit and loss account as they arise.

1.8 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets requires a substantial period of time are capitalised as a part of the cost of the asset if they will result in future economic benefit to the company. All other borrowing costs are charged to revenue.

1.9 Taxes on Income

Provision for Current tax (inclusive of Minimum Alternate Tax) is made based on the tax liability computed on taxable income in accordance with relevant tax rates and tax laws.

Deferred tax, being tax on timing difference between taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years, has been recognized.

Deferred tax assets, excluding assets arising from loss / depreciation carried forward, are not recognized unless there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In case of carried forward loss/ depreciation, it is recognized only if virtual certainty exists.

1.10 Research & Development

Revenue expenditure is charged under natural heads in Profit and Loss Account.

Capital expenditure is shown as addition to fixed assets under natural heads.

1.11 Employee Benefits

Defined Benefit Plan :

Gratuity : (Funded)

In accordance with applicable laws, the Company provides for gratuity, a defined benefit retirement plan

(Gratuity Plan) covering all staff, workers and officers. The liability is determined based on year end actuarial valuation using projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. The Gratuity Plan provides for, at retirement or termination of employment, an amount based on the respective employees last drawn salary and the years of employment with the Company. The Company provides the gratuity benefit through annual contributions to a Gratuity trust which in turn mainly contributes to Life Insurance Corporation of India (LIC) for this purpose. Under this plan the settlement obligation remains with the Gratuity trust. Life Insurance Corporation of India administers the plan and determines the contribution premium required to be paid by the trust.

Leave encashment liability : (Unfunded)

In accordance with applicable rules, the liability for leave encashment (defined benefit plan (Unfunded)) was actuarially valued and provided in the books of accounts, covering all staff, workers and officers.

Provident Fund :

In addition to the above benefits, all employees are entitled to Provident Fund benefits as per the law. For certain category of employees the Company administers the benefits through a recognised Provident Fund Trust. For other employees contributions are made to the regional Provident Fund Commissioners as per law. The Government mandates the annual yield to be provided to the employees on their corpus. For the first category of employees (covered by the Trust), the company has an obligation to make good the shortfall, if any, between the yield on the investments of the trust and the yield mandated by the Government.

Superannuation :

Defined Contribution Plan where contributions are made to a Trust which in turn contributes to LIC.

Apart from being covered under the Gratuity Plan described above, the employees of the Company who are Assistant Managers and above have the option to participate in a defined contribution Superannuation plan maintained by the Company. The Company has no further obligations under the plan except making contributions based on a specified percentage of each covered employee's salary.

1.12 Pre-operative Expenditure

All expenditure incurred prior to commencement of business / Expansion of business activities is carried forward as pre-operative expenditure and included in Capital Work in Progress and is capitalised along with the cost of fixed assets on commencement of Business.

1.13 Revenue Recognition

1.13.1 Sales are net of sales returns and trade discounts

- and exclude all taxes and levies.
- 1.13.2 Export Incentive Benefits are accounted on the following basis:
- a) Duty drawback entitlement is accounted on accrual basis.
- b) Merchandise Exports from India Scheme (MEIS) is accounted on accrual basis.
- 1.14 Insurance claims are accounted for on the basis of claims lodged with insurance company and to the extent that there is a reasonable certainty in realising the claims.

- 43 During the year, the application for renewal for Consent For Operations (CFO) under the pollution control regulations in one of the manufacturing plants located in the State of Telangana has been returned by the regulatory authority citing that industries located in the specified area were not issued CFO in the light of G.O.Ms.No.111 dated 08.03.1996. However, the company is of the opinion that this does not impact the going concern status of the Company and its future operations. The company has examined the matter and taken appropriate action to present its case that it is neither a polluting nor a potentially polluting industry before the pollution control authorities.
- 44 Long Term Settlement (LTS) with the workmen unions in the case of two of its plants had expired during the year and the new agreements are pending since these matters are being discussed. Hence, the company has made suitable provisions in the financial statements based on its estimates of the expenditure. The company believes that the provision made is sufficient to discharge the liability.
- 45 The previous year's figures have been re-grouped, reclassified wherever necessary so as to make them comparable with the current year's figures.
- 46 Figures in brackets in the Schedules and Notes pertain to previous year.
