1. Background

- 1.1 A meeting of the Audit Committee of Rane (Madras) Limited ("**Company**") was held on February 09, 2024, to, *inter alia*, consider and if thought fit, recommend to the Board of Directors of the Company ("**Board**"), the draft Scheme of Amalgamation of Rane Engine Valve Limited ("**REVL**" / "**Transferor Company 1**") and Rane Brake Lining Limited ("**RBL**" / "**Transferor Company 2**" / "**Company**") with and into Rane (Madras) Limited ("**RML**" / "**Transferee Company**") (together referred to as "**Participating Companies**" or "**Companies**") and their respective shareholders ("**Draft Scheme**"), pursuant to the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 ("**Act**") and the rules made thereunder.
- 1.2 This report of the Audit Committee is made in compliance with the requirement of the Master Circular no. SEBI/HO/POD-2/P/CIR/2023/93 dated June 20, 2023, as amended from time to time ("**SEBI Circular**"), issued by the Securities and Exchange Board of India ("**SEBI**"). In terms of the SEBI Circular, a report from the Audit Committee is required, recommending the draft Scheme, after taking into consideration, *inter alia*, the Valuation Report (*as defined below*).
- 1.3 The following documents were placed before the Audit Committee for its consideration:
 - a) draft Scheme, duly initialled by the Company Secretary of the Company for the purpose of identification.
 - b) Joint valuation report dated February 09, 2024 issued by M/s. PwC Business Consulting Services LLP, Registered Valuer having IBBI Registration number IBBI/RV-E/02/2022/158 and M/s. Bansi S. Mehta Valuers LLP, Registered Valuer having IBBI Registration number IBBI/RV-E/06/2022/172 recommending the Share Entitlement Ratios (as defined hereunder) for the draft Scheme ("**Valuation Report**");

- c) Fairness Opinion dated February 09, 2024, prepared by M/s. Axis Capital Limited, an Independent SEBI registered (Category-I) Merchant Banker, confirming that the Share Entitlement Ratios in the Valuation Report are fair to the Companies and their respective shareholders and creditors ("**Fairness Opinion**");
- d) Statutory Auditors' certificate dated February 09, 2024, confirming that the accounting treatment contained in the draft Scheme is in compliance with all the applicable accounting standards specified by the Central Government under Section 133 of the Act read with applicable rules, and/or the accounting standards issued by the Institute of Chartered Accountants of India and other generally accepted accounting principles.

2. Observations of Audit Committee on the Scheme

2.1. Need for the Scheme

- a) The Management(s) of the Participating Companies are of the view that the amalgamation of REVL and RBL with and into RML will simplify the group structure.
- b) The merged entity will benefit from economies of scale by pooling of resources, increase in product offerings thereby diversifying its revenue stream.
- c) Creation of a larger listed entity further increases flexibility to raise capital for growth pursuits, both organic and inorganic.
- d) Consolidation of businesses under the amalgamation would result in pooling of financial, managerial, technical and human resources, thereby creating a stronger base for future growth and value accretion for all stakeholders that would aid unlocking intrinsic value of assets.

2.2. Rationale for the Scheme

2.2.1. Part III of the Scheme which deals with the Amalgamation of the Transferor Companies with and into the Transferee Company. The proposed scheme would be in best interest of the Companies and their respective shareholders, employees, creditors and other stakeholders as the proposed reorganization pursuant to this Scheme is expected, inter alia, to yield advantages as set out below:

2.2.1.1. The companies to the scheme viz., the Transferor Companies and the Transferee Company are engaged in the manufacturing of auto components parts such as steering gears, braking products, engine valves, etc. and are subject to the same industry risk. Hence, consolidation of all operating businesses under a single listed entity will simplify the group structure.

- 2.2.1.2. Consolidation of shareholdings in a single listed entity will align interests of all the shareholder groups and allow them to participate in the growth prospects of a larger diversified auto component player.
- 2.2.1.3. Integration of businesses under a common unified platform will enable more coordinated and comprehensive business management with greater focus and attention.
- 2.2.1.4. Amalgamation will help achieve revenue and cost synergies and enhance operational, organizational and financial efficiencies from increase in scale of operations. Further, the merged entity will benefit from economies of scale by pooling resources.
- 2.2.1.5. The amalgamation will increase product offerings of the combined entity and will diversify its revenue stream.
- 2.2.1.6. Unified approach on customer engagement and service delivery, supply chain management, procurement etc. would enhance operational and financial synergies.
- 2.2.1.7. Optimization of support and administration functions.
- 2.2.1.8. Consolidation of funds and resources would lead to improved availability of capital which could be allocated more efficiently / optimally to pursue growth opportunities under the respective businesses.
- 2.2.1.9. Improved organization capability and leadership, arising from pooling of human capital.
- 2.2.2. The Management of the respective Participating Companies are of the view that this Scheme is in the best interest of the shareholders, employees, creditors and other stakeholders of the respective Participating Companies.

2.3. Valuation Methods Evaluated for the Share Entitlement Ratios

The Committee noted that the Valuation Report, *inter-alia*, recommended the Share entitlement ratio for the Amalgamation of Transferor Company 1 and Transferor Company 2 with the Transferee Company.

The Committee then noted the share entitlement ratio as under:

- a) Share entitlement ratio determined as per Valuation Report for the allotment of equity shares of the Transferee Company, having face value of INR 10/- each to the shareholders of Transferor Company 1 and Transferor Company 2 as on the Record Date (as defined in the Scheme), in consideration for the amalgamation:

For Transferor Company 1

9 (Nine) equity shares of RML having face value of INR 10 each fully paid up shall be issued for every 20 (Twenty) equity shares held in REVL having face value of INR 10 each fully paid up.'

For Transferor Company 2

21 (Twenty One) equity shares of RML having face value of INR 10 each fully paid up shall be issued for every 20 (Twenty) equity shares held in RBL having face value of INR 10 each fully paid up.'

2.4. Cost-Benefit Analysis of the Scheme

- a) The amalgamation will enable wider product profile which will enhance Transferee Company's potential to garner increased share of business from OEMs through cross selling to a larger customer set and thereby creating greater value.
- b) Reduction in management overlap, legal & regulatory compliances, optimization of support and administration functions would result in cost savings.
- c) Consolidation of businesses under the amalgamation would result in pooling of financial, managerial, technical and human resources, thereby creating a stronger base for future growth and value accretion for all stakeholders that would aid unlocking intrinsic value of assets
- d) The Transferee Company would issue its equity shares as consideration to the shareholders of the Transferor Company 1 and Transferor Company 2 and as such there will be no cash outflow of resources from the Transferee Company. Apart from the cost of implementation of the Scheme, including payment of stamp duty, there are no additional costs involved for the proposed Scheme.
- e) The proposed Scheme will also benefit the shareholders directly, as the costs incurred towards the implementation of the Scheme foreshadows the long-run benefit, to be derived by the shareholders that can be derived by achieving strategic & operational efficiency. The Audit Committee is of the opinion that the expected benefits, pursuant to the proposed Scheme, would offset the impact of such cost.

2.5. Synergies of business of the entities involved in the Scheme

- a) Amalgamation will help achieve revenue and cost synergies and enhance operational, organizational and financial efficiencies from increase in scale of operations.

- b) Unified approach on customer engagement and service delivery, supply chain management, procurement etc. would enhance operational and financial synergies.
- c) Improved organization capability and leadership, arising from pooling of human capital in areas such as engineering, R&D teams, etc. that has diverse skills, talent and vast experience.

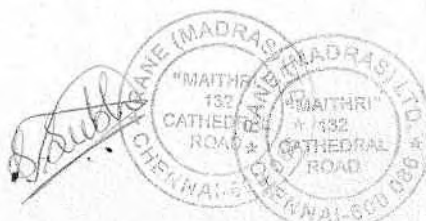

2.6. Salient Features of the Scheme

The Audit Committee considered and observed the following salient features in relation to the draft Scheme –

- a) The draft Scheme provides for the Amalgamation of the Transferor Company 1 and Transferor Company 2 with and into Transferee company.

- e) The following share entitlement ratio have been determined as per Valuation Report for the allotment of equity shares of the Transferee Company, having face value of INR 10/- each to the shareholders of Transferor Company 1 and Transferor Company 2 as on the Record Date (*as defined in the Scheme*), in consideration for the amalgamation:
- For Transferor Company 1*
9 (Nine) equity shares of RML having face value of INR 10 each fully paid up shall be issued for every 20 (Twenty) equity shares held in REVL having face value of INR 10 each fully paid up.'
- For Transferor Company 2*
21 (Twenty One) equity shares of RML having face value of INR 10 each fully paid up shall be issued for every 20 (Twenty) equity shares held in RBL having face value of INR 10 each fully paid up.'
- f) Further, M/s. BSR & Co LLP, Chartered Accountants, Statutory Auditors of the Company, vide their certificate dated February 09, 2024 have confirmed that the accounting treatment as specified in the draft Scheme is in accordance with the applicable Indian Accounting Standards issued by the Institute of Chartered Accountants of India and as notified by MCA, read together with Section 133 of the Act and the Companies (Indian Accounting Standards) Rules, 2015.
- g) Upon the Scheme being sanctioned by an Order made by the Tribunal under Sections 230 to 232 of the Act, the Transferor Companies shall stand dissolved without winding up on the Scheme becoming effective from the Effective Date in accordance with the Act and the relevant rules;
- h) Upon the Scheme becoming operative on the Effective Date, the authorised share capital of the Transferor Companies shall stand combined with the authorised share capital of the Transferee Company, and the filing fees and stamp duty, if any, paid by the Transferor Companies on its authorised share capital shall be set off and be deemed to have been so paid by the Transferee Company on the combined authorised share capital.

2.7. Impact of the Scheme on the Shareholders

The Audit Committee reviewed the Valuation Report and the Fairness Opinion for determination of share entitlement ratios under the draft Scheme.

Pursuant to the scheme, shareholders of the Transferor Company 1 and Transferor Company 2 will receive equity shares in the Transferee Company in accordance with Clause 10 of the Scheme.

Further, the existing equity share capital of the Transferor Company 1 and Transferor Company 2 held by the Transferee Company (if any), shall stand cancelled in terms of the Scheme.

The Audit Committee is of the informed opinion that the draft Scheme is in the best interests of the Company and its shareholders. The impact of the draft Scheme on the shareholders, including, the public shareholders would be the same in all respects and no shareholder is expected to have any disproportionate advantage or disadvantage in any manner. The Scheme is not in any manner prejudicial or against public interest and would serve the interest of all shareholders, creditors or any other stakeholders.

2.8. The Audit Committee reviewed and noted the following:

The draft Scheme does not fall within the purview of related party transactions in terms of General Circular No. 30/2014 dated July 17, 2014, issued by the Ministry of Corporate Affairs ("MCA") since the same is subject to the sanction of the NCLT and the provisions of Section 188 of the Act are not applicable. However, in accordance with the provisions of Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"), the Scheme falls within the purview of the definition of Related Party Transactions. It is given to understand that the approval of the shareholders would be obtained in terms of the SEBI Master Circular on Scheme of Arrangement by Listed Entities issued on June 20, 2023.

Further, there are common promoters in the Participating Companies. Promoter and Promoter Group hold 72.65% directly or indirectly in the Transferee Company, hold 58.32% shareholding in the Transferor Company 1 and hold 70.93% shareholding in the Transferor Company 2. In terms of the Scheme, equity shares of the Transferee Company are proposed to be issued and allotted to the shareholders of the Company. In view of the aforesaid paragraph and in terms of Paragraphs 10(b)(i) and 10(b)(ii) of the SEBI Circular, the Scheme shall be acted upon only if the votes cast by the public shareholders of the Company in favour of the Scheme are more than the number of votes cast by the public shareholders against it.

The consideration as set forth in the draft Scheme will be discharged on an 'arm's length basis'. The share entitlement ratios for the shares to be allotted pursuant to the Scheme are based on the Valuation Report and the Fairness Opinion. The aforementioned Valuation Report and Fairness Opinion have duly been considered by the Audit Committee.

3. Recommendations of the Audit Committee

Taking into consideration draft Scheme and its rationale and benefits, the Valuation Report, the Fairness Opinion, and other documents, as placed before the Audit Committee, and the interest of the shareholders of the Company, the Audit Committee after due deliberation, unanimously recommends the draft Scheme to the Board of the Company, Stock Exchange, SEBI and other appropriate authorities for their favourable consideration and approval.
